

## BULLETIN BOARD

### ReadyCare services offered

Singing River Health System Clinics in Hurley has added a new service that offers medical care when needed.

The SRHA Clinics ReadyCare is open 8 a.m.-7 p.m. Monday through Friday and 9 a.m.-1 p.m. Saturdays. Nurse practitioners will treat minor illnesses and provide vaccinations, physicals, lab testing and other services.

Walk-ins are welcome and no appointment is necessary, but patients can still schedule an appointment with a doctor by calling 497-7470.

The clinic is at 7001 Mississippi 614.

### Timmons Dentistry to celebrate opening

Dr. Lauren Timmons Dentistry is having an after-hours grand opening, 5:30-7:30 p.m. Thursday at the clinic office, 2122 Bienville Blvd., Ste. North 1, Ocean Springs.

The renovations and state-of-the-art diagnostics will be available to see. Details: 875-6055.

### Butler Snow named top firm

Butler, Snow, O'Mara, Steven and Cannada PLLC, has been named Mississippi Firm of the Year at the Benchmark Litigation Annual Awards-South, one of the industry standards for identifying the leading litigation firms and attor-

neys in the United States and Canada. Butler Snow was also among three finalists for Case of the Year in Mississippi based on the firm's product-liability case, Rosenburg v. Merck.

### Palace Casino Resort recognized

Palace Casino Resort has been recognized as a Gold-Level Fit-Friendly Company by the American Heart Association for helping employees eat better and move more. The company offers employees physical activity options in the workplace, healthy eating options at the worksite and more.

### VT Halter Marine joins ICE's IMAGE program

VT Halter Marine Inc., a subsidiary of VT Systems Inc., has become a member of the IMAGE program with U.S. Immigration and Customs Enforcement. Through its participation in the IMAGE program, VT Halter Marine establishes a formal partnership with law enforcement to follow best hiring practices as the program suggests and to implement staff training to comply with the standards required by the program. It also enables VT Halter Marine to use tools offered by the federal government to screen employees, to ensure authorized work in the U.S.
