Dorsa receives State Farm award

State Farm agent and Ridgeland resident John Dorsa has received the company's prestigious Chairman's Circle award. In addition to recognizing an agent's outstanding sales ability, this top award honors agents who align their business with the long-term direction of the company and who act as advocates for their customers.

Only a select few agents within State Farm receive this honor annually as there are strict qualifying criteria and sales goals that must be met.

To win the Chairman's Circle award is a prestigious accomplishment. According to Tim McFadden, Southern Zone Senior Vice President, "As one of our top agents, John consistently supports our goal of providing high quality service to our customers. His outstanding performance makes it possible for State Farm to continue to be the leading insurance and financial services provider here in Mississippi."

Dorsa, who first joined the State Farm family in 1985, joins a select group of agents who have earned this award. His office is located in Ridgeland, and provides a wide range of insurance and financial services products.
