2013-2014 CLASS OF LEADERSHIP GREATER JACKSON

The Leadership Greater Jackson Board of Trustees and the Greater Jackson Chamber Partnership Board of Directors are proud to present the 27th class of Leadership Greater Jackson. Established in 1987, Leadership Greater Jackson is sponsored by the Greater Jackson Chamber Partnership. The program seeks to identify and prepare the community's future leadership. The objective is to build and maintain a network of current and emerging leaders who possess the skills and the sense of commitment to improve the community.

The members of the 2013-2014 Class of Leadership Greater Jackson have been selected on the basis of past leadership involvement and their potential for future contributions. They all share a sense of obligation and a sense of a community for a better tomorrow than today. We congratulate the new class, and offer our support and best wishes for a successful year!
