Law360, New York (October 30, 2013, 7:07 PM ET) -- Butler Snow O'Mara Stevens & Cannada PLLC has expanded its product liability, mass tort and environmental group with the recent addition of a former Baker Botts LLP litigation veteran with pharmaceutical expertise to its New York office, the firm announced last week.

David Cohen has 15 years of experience defending clients in cases involving disease diagnosis and causation, the firm said in an Oct. 21 statement, adding that he has acted as lead science counsel in a range of mass tort litigations and developed legal expertise...
