1020 Highland Colony Parkway, Suite 1400
Ridgeland, MS 39157

Dear Chris:

As you may be aware, Caitlyn Burchfield has shown tremendous leadership as a member of Rotaract Club of Birmingham. I am pleased to inform you that **Caitlyn has been selected to serve as the Executive Vice President and Chief Operating Officer of Rotaract Club of Birmingham for 2020-2021.** Rotaract is the premier young professional organization in Birmingham, comprised of more than 300 members from various industries throughout the city. No other organization in Birmingham offers the unique combination of the programming, service and leadership opportunities as does Rotaract. To be a director and leader of this influential organization is by far one of the most rewarding opportunities available to the young professionals of Birmingham.

I have had the opportunity to work with Caitlyn through the transition process as the incoming President, and I am aware of how lucky we are to have such a talented person working with our organization over the next year. Every director is charged with setting a strategy for their term, organizing and leading a committee of other young leaders, and managing a sizeable budget while remaining accountable to our members. Caitlyn's role offers her unparalleled opportunities to demonstrate her civic and leadership acumen to Birmingham's rising stars of the business community who are our members, while also creating a vast and diverse professional network of friends and peers. We are proud to have a member of the Butler Snow team working to ensure that we remain a pillar of the Birmingham civic community. My tenure on the board of Rotaract has been one of the most meaningful civic and professional activities I have participated in since starting my career, and I know it will be equally as impactful for Caitlyn.

Thank you for your support of Caitlyn's commitment to Rotaract, where she is certainly leaving her mark on our organization and the larger community that we serve. I invite you to join us on **Thursday, June 25** at lunch at the Harbert Center (or virtually through Zoom) for our annual meeting, where you can learn more about our organization and our accomplishments over the past year. You are also welcome to join us at any of our meetings hosted on the first and third Thursdays of each month virtually and at the Harbert Center.

Very truly yours,

Brass H. Bralley, M.A.
